

SANITARY.

PROCEEDINGS OF THE CENTRAL SANITARY BOARD.

READ—

1. Letter No. 4121, dated the 2nd May 1910, from the Chief Engineer in Mysore, forwarding a project for duplication of the tunnel across the statue square in Mysore City, where the flood water drain of No. III Drainage Area crosses the road.

2. Letter No. C. S. B. 65, dated the 23rd May 1910, from the Sanitary Commissioner in Mysore, to the Chief Engineer in Mysore, returning the papers with certain observations.

3. Letter No. 10250, dated the 8th December 1910, from the Chief Engineer in Mysore, forwarding four estimates one amounting to Rs. 4,927 (as revised in his office) for duplicating the tunnel in question, and the other three amounting to Rs. 22,627 for flooring with cement concrete the flood water main drains in Nos. II and III Drainage Areas, and stating (1) that the duplication of the tunnel may be taken in hand at once as the present water-way thereof is insufficient and portions of the Curzon Park are in consequence flooded during heavy rains, and (2) that the other improvement may be deferred in view of the fact that a comprehensive sewerage for the whole town is under preparation.

Resolution No. 4, dated Bangalore, the 27th January 1911:

Resolved that the estimate for Rs. 4,927 for the duplication of the tunnel be approved.

The Board agree with the Chief Engineer as regards the other improvements proposed.

P. S. ACHYUTHA RAO,

Officiating President, Central Sanitary Board.

FINANCIAL DEPARTMENT.

Circular No. 2930—G. A. D. 377, dated 14—18th November 1910.

To

All Gazetted Officers, Amildars, Deputy Amildars and Munsiffs.

The undersigned has the honor to observe that certificates of giving over and taking charge, or of proceeding on and returning from leave in the case of officers to whom this circular is addressed are not received in this office in many instances till long after the occurrence, and in some instances not received at all, till called for by this office. This throws unnecessary work on this office in issuing requisitions for such certificates (the number of requisitions issued during the last two official years and the three months of the current year being about 280, 270 and 70 respectively), besides putting it to very great inconvenience in not being in possession of up-to-date information regarding these incidents in the services of gazetted and other officers, which information is necessary for several purposes.

To avoid this inconvenience, the undersigned has the honor to invite the attention of all officers to Article 47 of the Civil Account Code, Volume I, which requires that such transfers of charge should be reported *by post of the same day* to the Comptroller, and to request that special attention may be given to this rule in future. This report is required for audit purposes and should be submitted direct by the officers immediately concerned, separate reports being sent to higher administrative authorities through the usual channel as required by departmental rules.

The report may be in the form of a letter, specimen of which is appended below. This cancels the form annexed to this office Circular No. 1918—G. A. 637, dated 17th September 1898, published in Part II of the *Mysore Gazette* dated 29th September 1898.
